

Model DMX

Single Pass Bench Sheeter

Ideal for:

- Sheeting sweet doughs*
- Danish and puff pastry*
- Uniform production sheeting*
- Laminating pizza and various doughs*

Featuring:

- Quick change ratchet handle adjustment*
- Heavy-duty back infeed pan that allows feeding of up to 40 lbs. of dough*
- Powerful uniform sheeting*

The Acme Stainless Steel Heavy-duty DMX Bench Sheeter is an efficient single stage machine featuring a 19" wide feedtray allowing an operator to feed up to 40 lbs. of the stiffest dough quickly and easily. Quick change ratchet handle conveniently allows for exact portion control.

The DMX, with its hard chrome rollers and heavy-duty stainless steel construction, is durable, dependable, and easy to clean and maintain.

Perfect dough! Each time...Every time
